A La Table de la Traye BY Chef Étoilé AKRAME

Akrame is part of this generation of starred chefs who have found their place in the gastronomic scene with a modern cuisine, subtly combining flavours, textures and colours. He is relentless in his quest for perfection, his cuisine evolve according to his discoveries and his travels, drawing his fantastic creative resources from countless regions. Touching and surprising, Akrame's creations are in his image, he was keen to compose a menu for Refuge de la Traye in the form of a tribute to the spaces and imaginary worlds that only the 3 Valleys can provide.

“I am so happy to be part of this magnificent partnership with Refuge de le Traye where I have signed the menu with an identity and creations inspired by the mountains and surrounding territory! “
